Fontainebleau Junior High School

100 Hurricane Alley – Mandeville, Louisiana 70471 – 985-875-7501

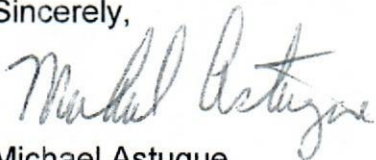

We are excited to start planning for the 2021-2022 school year! The first step in creating our schedule for the new school year is to collect information from you. We will be having virtual presentations with all of the students who will be coming to Fontainebleau Junior High the week of March 8th and March 15th. During these presentations we will discuss information about FJH, including 7th grade electives. Students will receive elective sheets from their teacher during the virtual presentations. These should be completed and returned to their school by March 26th.

The following information will be posted on the Fontainebleau Junior High website to assist you in filling out the elective sheet:

- A copy of the virtual presentation
- A course description guide with information specific to the elective course choices
- A Frequently Asked Questions form that will give you an opportunity to ask questions about the virtual presentation or about FJH in general

We look forward to welcoming our newest Hurricanes for the 2021-2022 school year.

Sincerely,

Michael Astugue
Principal
Fontainebleau Jr. High

FONTAINEBLEAU JR. HIGH SCHOOL

7th Grade 2021-2022
